MACHANG: A total of 381,251 tablets have been distributed nationwide through the PerantiSiswa initiative under the Ministry of Communications and Digital (KKD) since September 2022.

Communications and Digital Minister Fahmi Fadzil said the initiative aims to help and ensure the smooth learning process of undergraduates and students from B40 families.

“In Kelantan, a total of 29,609 recipients of the PerantiSiswa initiative have been identified and to date, 24,525 tablets have been distributed in the state,” he said in his speech at the ‘Jelajah Saya Digital 2023

di Kelantan’ programme at Universiti Teknologi MARA (UiTM) Machang campus here yesterday.

Also present were KKD secretary-general Datuk Mohamad Fauzi Md Isa, UiTM vice-chancellor Prof Datuk Dr Roziah Mohd Janor and Bernama chief executive officer Roslan Ariffin.

Meanwhile, Fahmi said the ‘Kempen Saya Digital’ was held to prepare the people with digital skills to empower the digital economy, especially for the B40 group, the elderly, socio-economically vulnerable communities, students and entrepreneurs. — Bernama
